County Treasurer Santa Cruz County

Remember:

All C.P. holders can pay the subsequent taxes after June 1st of each year. You will not be notified of taxes due, you must inquire.

If you have multiple C.P.'s on the same parcel the owner may redeem one C.P. at a time.

Redemptions are accepted by postmark - during times of heavy mail, redemptions may be delayed.

The C.P. books will be closed after the sale until 8:00 AM, April 1, 2016.

Invest wisely; look at the property before you buy a lien. Normally, you don't get something for nothing.

As of December 31, 2003 all C.P. holders are responsible to apply for a judgment deed on the property through Santa Cruz County Superior Court. We advise that you use an attorney for this procedure.

The parcels and taxes available are from our public notification requirement as listed in the official newspaper of record for Santa Cruz County. As of January 1, these tax amounts are for previous years that have not been paid. This notification informs property owners of the delinquency and allows them time to pay these taxes and remove the property from the sale. Therefore, many of these parcels will not be available for certificate purchase. The owners have until the day of the sale to pay their tax and we accept the date mailed as payment date.

Some parcels may not be available for the sale due to outstanding bankruptcies on the property. The amounts listed are taxes only, and do not reflect interest, penalties and fees required to purchase the certificate. They also do not reflect partial payments made or prior certificates outstanding that need to be bought out.

The data provided is for your convenience. Please contact the Treasurer's Office if you need additional information about specific properties.
